

## **JOIN “THE ROCKVILLE CENTRE TEA PARTY PATRIOTS” TODAY**

The Rockville Centre Tea Party Patriots was officially founded on April 15, 2008. On that day over 600 disgruntled residents joined together for Nassau County’s first ever Tea Parties in Hicksville and Massapequa, NY. Both were overwhelming successes. Since then, Tea Party groups have sprung up all over the country. Here on Long Island alone, there are 10 active Tea party groups attracting thousands upon thousands of motivated and very dedicated members and growing daily.

**WE ARE your neighbors who are worried about high taxes.**

**WE ARE local residents who are concerned about the future of health care.**

**WE ARE a patriotic, non-partisan Tea Party and civic organization.**

**WE HAVE no allegiance to any political party.**

We welcome new members, regardless of what town you reside.  
Please join us today and make your voice heard too!
